Refund under special circumstances

In the case of refund and recovery, the school fees will be calculated as follows:

- If the student attends school for two weeks or less, a month's fees will be deducted;
- If the student attends school for a period ranging between two weeks and one month, two months' fees will be deducted;
- If the student attends for more than a month, three months' fees will be deducted.

The value of the fee per month is calculated by dividing the total tuition fees by 10. Charges for books and school uniforms will not be refunded, but the above conditions for refund apply to transportation fees if the service is provided by the school.

The school had right to suspend the student from transportation service, and ban reports or marks list in case there're any financial arrears
